2027 price list for statistical activities outside the programme

In accordance with subsections 4 (3) and 20 (1) and section 38 of the Official Statistics Act and subsection 8 (3) of the statutes of Statistics Estonia adopted with Regulation No 32 of the Minister of Finance of 27 August 2013:

1. I hereby approve the following price list for statistical activities outside the programme for the period of 1 January 2027 to 31 December 2027:

1.1. Applying for use of confidential data for scientific purposes, including for the development of policies (section 38 of the Official Statistics Act):

Entering into an agreement, incl. creation and management of up to 5 new user accounts; project folder size 20GB	665 euros
Amending an agreement, incl. making changes to up to 5 existing user accounts	332 euros
Creation and management of an additional user account (when entering into or amending an agreement), for the 6th and each subsequent user	39 euros
Additional 25GB of storage for project folder (per year)	25 euros

The preparation of data is priced according to the rates specified under item 1.2. There is no charge for the use of previously prepared data.

1.2. Hourly rates for other statistical activities outside the programme:

Price group	Description	Hourly rate
1	Collection of data by interviewing	39 euros
2	Consultation and customer training, preparations for data collection, data acquisition, data processing, additional data processing and data analysis, data dissemination	66 euros
3	Linking data sources, modelling, using machine learning models for analysis, developing applications. Compiling lists of registered economically active legal entities	85 euros

1.3. The price of statistical activities outside the programme depends on the time spent on the task and on complexity.

1.4. As a rule, the cost estimate for statistical activities outside the programme is prepared within 5 working days. The work is performed once the customer has accepted the cost.

1.5. Statistical activities outside the programme are not subject to value added tax.

1.6. Depending on the nature of the project (e.g. amount and complexity of work required, a custom solution, etc.), the cost estimate may include other costs that have not been specified on the price list.

1.7. The minimum time estimate for a statistical activity outside the programme is 0.5 hours.

1.8. I hereby appoint Ave Sepik, the Financial Management and Management Information Service Manager, to oversee compliance with the directive.
