Financial statistics on foreign affiliates

Data should be submitted on all of the enterprise group's affiliates registered outside Estonia, except on affiliates registered in Latvia, Lithuania and Finland. Data on affiliates registered in Latvia, Lithuania and Finland are obtained for statistical purposes on the basis of data exchange agreements with the statistical authorities of these countries. Data should be provided on both directly controlled affiliates as well as their affiliates (incl. the affiliates of affiliates, etc.). In order to identify affiliates registered outside Estonia, the data of annual reports have been used as the main source. The entire enterprise group has been considered.
