

Controls and autosums in questionnaire: Traffic Register

Code of the questionnaire: 11422025
Periodicity: Annual

Is submitted: 15.02.2025 as at 31.12.2024

p. 1/11

Statistics Estonia guarantees the full protection of data submitted.

A field with a grey background has been automatically filled online. The data in this field cannot be changed, they are visible after saving.
If the data you entered are inconsistent internally or with the prefilled data, an error message appears upon checking. If errors (warnings) appear, check the data carefully and make corrections.
