0. Information for the respondent

The table includes tooltips with additional information about the rows and columns. Hover your mouse over the row or column header to see the explanations.	
When you have filled in a table and want to check this table, click "Save" and then select "Validate table". This way, it is easier to correct errors in the specific table.	
If you click "Check", the entire questionnaire is checked and the errors in all tables are displayed simultaneously. Use this button when you have filled in all the tables.	
The error message "Warning" indicates possible errors. Please make sure that you have entered the correct data, then click "Accept warnings" and confirm the questionnaire.	
In the absence of values, you do not have to enter 0 (zero) in the fields.	
In case of any questions, please call +372 6259 300 or send an email at mailto:klienditugi@stat.ee
